How do you know if your beau is daddy material?

Cupid's Advice:

Being a dad is a big step that some men may not be ready for yet. Cupid has some ways for you to know if your beau is up for the task:

1. He wants to be a dad: If he claims he's ready to take on Dad-hood without any prompting then he most likely is. Forcing your guy into saying that he's ready doesn't count!

2. Nurturing: When you're sick does your man bring you soup, give you a massage, and help you take care of the things that you can't manage? If the answer is yes then he is probably up for the task of fatherhood.

3. Thinks of the future: Everyone knows babies are expensive. If your guy makes an effort to save up for a house or a baby-safe car then he's looking towards the future and may see a baby on the horizon.
