**How do you know if your beau is daddy material?**

## **Cupid's Advice:**

Being a dad is a big step that some men may not be ready for yet. Cupid has some ways for you to know if your beau is up for the task:

**1. He wants to be a dad:** If he claims he's ready to take on Dad-hood without any prompting then he most likely is. Forcing your guy into saying that he's ready doesn't count!

**2. Nurturing:** When you're sick does your man bring you soup, give you a massage, and help you take care of the things that you can't manage? If the answer is yes then he is probably up for the task of fatherhood.

**3. Thinks of the future:** Everyone knows babies are expensive. If your guy makes an effort to save up for a house or a baby-safe car then he's looking towards the future and may see a baby on the horizon.
