

LeAnn Rimes Denies Rumors That She's Pregnant

By Petra Halbur

LeAnn Rimes took to Twitter on Wednesday, June 10, to address some recent pregnancy rumors. “LMAO Star Magazine!” she tweeted. “I don’t know if you [doctor] the pics or pic the worst one you can find, but I’m far from pregnant and just dropped a jean size.” Rimes is already stepmother to her husband, Eddie Cibrian’s, two sons, Mason, 10, and Jake, 6. “I was just with the kids for the last two days taking care of them on my own, and trust me ... I have a newfound respect for working moms who do it all by themselves,” she said, according to UsMagazine.com. “It was my birth control for a little bit – so overwhelming!”

What are some ways to announce your pregnancy?

Cupid's Advice:

Congratulations on your pregnancy! Now comes the task of announcing it to the world. Cupid has some ideas:

1. Facebook it: It may be unoriginal, but Facebook and other forms of social media are quick, effective ways to let all of your friends and family know the happy news at once.

2. Put a bun in the oven: Invite friends and family over for dinner and before they arrive, place a hamburger bun in the oven. At some point, ask one of your guests to check the oven. It may take some explaining ("Bun in the oven ... get it?") but they'll appreciate the creativity!"

3. Take a photo: Get some friends together for a photo. Right when you would usually instruct them to say, "cheese," announce your pregnancy and snap the photo. That captured moment of realization and excitement is one that you'll all treasure forever.
