## **Cupid's Advice:**

Being a newlywed is a very happy and exciting time in a couples relationship. Whether you're still in the honeymoon

phase or not there are some ways that you can show your partner you care in public. Cupid has some advice for you:

**1. Show affection:** When you're out with your partner enjoying yourself don't be afraid to show some affection. You want to show your partner that you are willing to show your love in a public way. So don't be afraid to show a little PDA, hold their hand or give them a little kiss now and then. Show everyone how much you love each other.

**2. Treat each other with dignity:** Don't be the couple that disrespects each other in public places. Don't cause a scene and don't yell at each other. Always stand up for her when you are out in public, that will show them you are on their side and willing to take a public stand for her. As long as you treat each other with respect when you are out you will show everyone how much you care about each other.

**3. Just be you:** Hug, kiss, laugh, talk. Show people how happy you are just by being you. People will see how much you truly care about one another if you aren't trying to put on a show. So make sure that when you are out and about that you stay true to yourself and your relationship and everyone will be jealous of you and your partner.
