Cupid's Advice:

We all know that having one-on-one time with your beau is important. The question is, how do you keep it interesting? Cupid has some special activity suggestions:

1. Get out: Are you outdoorsy and adventurous? Try something

like rock climbing or sky diving. Find gyms or specialty stores in your area where you can practice on climbing walls before you attempt the real deal. If jumping out of a plane isn't your thing, perhaps a little white-water rafting is instead. These adrenaline-pumping dates will bring a smile to your faces and a spark to the bedroom.

2. Movie night: If you and your partner are more of a cuddle-up-at-home type, designate a night solely for yourselves: no calls, texts or other interruptions allowed. Rent a movie and play some board games, with special rules just for you. Or find a discount theatre in your area and catch a cheap flick.

3. Wine tasting: Take something you both are interested in and turn it into a hobby. Are you both self-proclaimed wine junkies? Find a local winery and take a tour together over the weekend. Afterwards, buy a bottle of the vineyard's own and enjoy it later on that evening.
