What are three funny ways to announce your pregnancy?

Cupid's Advice:

Why not imbue one of the most exciting announcements you'll ever make with a little creativity and humor? Cupid has some

ideas for unique ways to announce your pregnancy.

1. Hide the sonogram in a card: If you plan to make the announcement around the holidays, place several copies of your sonogram in your annual holiday cards. Ideally, you should hand these cards to your friends and family in person so you can see the look on their faces when they find out that you're going to be a parent.

2. Wrap the announcement up as a present: Place a pregnancy announcement in a box place within a box placed within another box. Wrap the largest box up and hand it to to your friends and family members. The building excitement as they open each box will make their joy at the news all the more worth it.

3. Decline a drink: Invite family and friends out to a restaurant. When the waiter offers you some wine, politely refuse, saying that you won't be drinking for the next 9 months. It's a nice, simple and somewhat cheesy way to announce your pregnancy.
