

# Kerry Washington Secretly Marries NFL Beau Nnamdi Asomugha

By Kerri Sheehan

*Django Unchained* starlet, Kerry Washington wed San Francisco 49ers player, Nnamdi Asomugha in a secret ceremony last month. A source dished to [People](#), "Everything was held at one of Kerry's friend's houses. They flew a few people out on this little private plane." The ceremony was very simple and small, with only family and close friends in attendance. Washington also chose a minimalistic chic plain white dress.

**Cupid's Advice:**

If you're looking to follow Washington's lead and have a simple and sweet wedding, then you're in luck because Cupid

has some advice for you:

**1. Guest list:** If you want the ceremony to be more intimate then don't go crazy with your guest list. Only invite immediate family members and friends that you're super close with.

**2. Simple attire:** A low-key wedding means low-key attire. Opt for a simplistic chic wedding dress that you'll be able to wear again. Your hubby can rent a tuxedo rather than go through the hassle and expense of purchasing his own.

**3. Don't try to impress people:** Once you get into trying to show off to your friends and family is when your wedding becomes more of a show than a ceremony. Your guests are there to celebrate your union as a couple, not for you to show off to.
