

DJ Khaled Says He Was 'Serious' in Video Proposal to Nicki Minaj

By Kerri Sheehan

It seems the love bug has bitten DJ Khaled. The 37-year-old recorded a special video message for Nicki Minaj while he was at MTV News this past week. UsMagazine.com reported that in the video he confessed his crush on the singer and former American Idol judge saying, "Nicki Minaj, I'm at MTV, I'm going to be honest with you; I love you. I like you, I want you, I want you to be mine." He ended the video with a marriage proposal that he claims was 100 percent legitimate. That is some high profile proposal.

What are three creative ways to propose?

Cupid's Advice:

From a young age women dream of how their significant other will propose to them. Cupid has some advice about how to get creative with your proposal so you won't disappoint your bride-to-be:

1. Treasure hunt: Let your loved one revisit the relationship with a scavenger hunt leading through all of the favorite places and moments you shared during your union. Each location should have a clue to solve that will lead her to the next destination. Some places to include are the location of your first date, first kiss, and your favorite night together.

2. Personalize it: Every woman and relationship is different so every proposal should be different as well. Pop the proposal in the middle of you two doing one of her hobbies or maybe give the proposal a theme of her favorite book or television show.

3. Flash mob: This proposal is definitely not for everyone, but if your girl likes to be the center of attention then it may be the perfect option for you. Set up a flash mob and pop the question amongst the commotion.
