

Michael Polish Knew He Wanted to Marry Kate Bosworth Before They Dated

By Petra Halbur

It seems love at first sight might really exist, according to Michael Polish. The 42-year old director met his current fiancée, Kate Bosworth, in 2011 on the set of *Big Sur*. According to UsMagazine.com, they didn't begin dating until after filming wrapped but Bosworth told the September issue of *InStyle UK* that "I never even dated my husband-to-be He said to me after just a few weeks, before we were even together, 'I'm going to marry you.' He just knew."

What are some ways to know you've found "the one?"

Cupid's Advice:

You've been seeing someone for a while and you're beginning to

think that he or she just might be “the one.” This is a big step. How do you know for sure? Cupid has some advice:

1. You want the same things in life: Emotional and sexual compatibility mean nothing if you two can’t make a life together. Compromises are inevitable in a relationship but fundamentally, “the one” will want the same things in life that you do.

2. You feel good about yourself: “The one” should bring out the best in you. If you feel inadequate with your partner, that’s a sign that you two are not meant to be.

3. You just know: Over-thinking can only get you so far in matters of the heart. Ultimately, you either know that your partner is “the one” or not.
