By Kerri Sheehan

Twilight stars Kristen Stewart and Rob Pattinson may not be through after all. In fact, Pattinson was spotted parking outside of his former lover's house Monday, August 5th. According to UsMagazine.com, Pattinson has been having a fling with Riley Keough, Elvis Presley's 24-year-old granddaughter. "She's the first girl he's liked since Kristen," a source dished to the magazine. Although the Robsten have remained friends since their split, it is possible this recent reunion could mean a reconciliation for the two vamps.

How do you decide whether to get back together with an ex?

Cupid's Advice:

Every one and their mother knows exes just plain suck. However, sometimes giving an ex a second chance may lead to love and happiness. Cupid has some advice about how to decide whether to get back together with an ex:

1. Relationship: Think about your former relationship as a whole. What did you like about it? What didn't you like about it? Giving love another shot after it went wrong the first times means that you're really going to have to analyze what went wrong the first time around. Remember getting back together with an ex should be the exception, not the rule.

2. Breakup: Why did you two break up in the first place? If whatever caused your breakup is still an issue then it's unlikely giving the partnership another shot will produce good results.

3. You: The most important thing to consider is your own happiness. If this person makes you really truly happy then the answer about whether or not to get back together should be clear as day.
