The celebration fell on the one-year anniversary of the couple's engagement.

What are three ways to make your partner's birthday special?

Cupid's Advice:

Your honey's birthday is coming up and you want to go above and beyond for him/her this year. How can you make this special day extraordinary and unforgettable for your love? You don't necessarily have to spend more money, but showing him/her that you know them inside and out will make their day just a little more amazing. Cupid is here to help:

1. Get in the kitchen: Does your partner love a homemade pizza? Maybe they prefer stuffed chicken breasts with roasted potatoes? Surprise your boo with their favorite meal. You might not be the best cook, but it's the thought that counts. Cooking for your significant other shows you care, especially if you don't do it very often.

2. Vacation time: What better way to celebrate your partner's birthday than with a romantic getaway? Spend the weekend in the countryside or take a trip to the Bahamas. You'll get to spend some extra time alone with your honey, while participating in some fun activities that you wouldn't get to do at home.

3. Let them choose: If you're really low on ideas, let your significant other choose what he/she gets to do on their special day. Maybe they've always wanted to go skydiving and they've never gotten the chance to. Let their imagination run wild and be supportive of whatever ideas they come up with.
