Melissa Joan Hart and husband Mark Wilkerson are parents to three sons: Mason, 7, Brady, 5 and Tucker, 12 months in September.

"I always try to get the boys a new backpack and a new pair of sneakers to get them excited about going back to school," Melissa says. "We talk for a few weeks leading up to it about the teachers name and who a couple of classmates will be to

help ease some of those first day jitters.”

Courtney Lopez and husband, *Extra* host Mario Lopez, are parents to 3-year-old daughter Gia and are currently expecting their second child.

“In order to avoid losing her stuff at school, we label all of Gia’s school supplies and clothes with Mabel’s Labels,” Courtney shares.

TODAY Show anchor and co-host, **Natalie Morales**, and her husband Joe Rhodes are parents to sons Josh, 9, and Luke, 5.

“Create a calendar of activities for each kid early on so they can see each day what they have and need,” Natalie shares. “And label everything! I love Mabel’s labels, as they stay on longer than the clothes lasts.”

Entertainment Tonight’s **Nancy O’Dell** is stepmom to her husband Keith Zubchevic’s sons, Tyler and Carson. They are also parents to 6-year-old daughter Ashby.

“Make an album with your child,” says Nancy, an avid scrapbooker.

“Over the summer when it gets close to the time for back to school, sit down with your child and make an album or a scrapbook of the previous year in school,” she adds. “It will remind him or her of all the good times they had in school and it will get them excited about going back! It is a great bonding project to do together and you have a wonderful keepsake for the family as a result.”

Nancy goes on to talk about the benefits of enjoying family photos.

“Also bring out some of your family albums to show your child,” Nancy continues. “It will remind them that they are part of a group, that they are members of a strong family, that they belong and it will give them the strength to fall back on if they were to go through anything difficult at school, for example, bullying which is all too prevalent these days.”

“Child psychologists will tell you that seeing family photos, with it being reinforced visually, helps children to know they have this family unit behind them to lean on,” Nancy adds. “I share more of my album ideas at NancyOdell.com including an Album of Hope which would be another great back to school project with your child.”
