Cupid's Advice:

While some couples have no qualms about publicly displaying

their affection, most couples are a little more conservative. If excessive PDA is coming from a couple who usually keeps it tame, it's safe to say there's probably an ulterior motive. Here are a few things it could mean:

1. Insecurity: If a couple shows their affection in public, it could mean that they're insecure in their relationship. They are trying to prove to others (and themselves) that their relationship is still going strong, even though it may be rocky at the moment.

2. Need for attention: Those who step outside the lines of public decency by excessively showing affection may only wish to shock others. They have a need for attention that can be satisfied by some major PDA.

3. Face value: While PDA could have underlying meaning, sometimes it's necessary to take the PDA for what it is – affection. Therefore, it might just mean they're lustful!
