What are some factors to consider before you get remarried?

Cupid's Advice:

The decision to get married should not be made lightly ... especially when you're getting married for the second time.

Cupid is here with some things to consider before getting remarried.

1. Is this one different? Consider your ex and the factors that led to the collapse of your first marriage. Is your new soon-to-be spouse different? If not, think good and hard about this new relationship.

2. Are you in a better place? Where were you emotionally, professionally and psychologically during your first marriage? Perhaps you weren't mature enough or perhaps you were unhappy with your career. Whatever the case was, are you better now?

3. Is marriage for you? Marriage is not for everyone and there's no shame in that. It may be that sharing your life with one person is simply not for you. There's nothing with that but you need to ask yourself that question before you tie the knot again.
