For this week's celebrity couple predictions, I want to consider three duos who have been plagued with breakup rumors – some of which have been confirmed.

Paula Patton and Robin Thicke: These two have been one of the most interesting couples to watch lately – who knew they could be so entertaining? Fans have been waiting for Patton to get upset with her husband for being racy with Miley Cyrus on stage at MTV's Video Music Awards.

From a clairvoyant point of view, they are a couple with a lot of layers. Thicke was recently quoted as saying that his marriage was “the most dysfunctional functional relationship in Hollywood.” That’s actually a fair assessment; the thing that keeps them solid is trust.

The famous pair are doing quite well in their relationship despite all of the shenanigans. The actress doesn’t freak out when he checks out another woman, and she knows, at the end of the day, Thicke is coming home to her. Don’t expect any separation or divorce headlines. In fact, in less than a year, they’ll be pregnant again.

Miley Cyrus and Liam Hemsworth: Speaking of Cyrus, it’s no surprise that her rep confirmed her engagement was over on Monday. As recent as last weekend, she stopped following her alleged beau on Twitter, but this relationship hit “hot mess status” months ago. Hemsworth tried to hang in there, and it’s time for him to officially move on.

When looking at their energy, what kept these two together was sex; they weren’t destined for anything more than hot nooky. The pop star’s energy is all over the place, and she isn’t focused on love, which will make it difficult for anyone trying to have a serious relationship with her.

As for what’s next for these two, Cyrus will have a few flings. Once she’s finished trying to be the next Lady Gaga with a splash of Madonna from the 80s, she’ll be ready for a relationship that has meaning. Hemsworth, on the other hand, will end up with a dark-haired actress on his arm.

Catherine Zeta-Jones and Michael Douglas: When it was announced that this married pair separated, the only surprise was that it hadn’t happened years ago. Their 13-year marriage lasted longer than most people predicted, as many critics gave

it only 5 years. There are many theories on why their relationship fell apart, but it's all speculation; instead of paying attention to the tabloids, I decided to take an in-depth look at their love. I have no doubt that they'll divorce. The actress is a bit lost at the moment; it's important to note that her bipolar disorder is not that main cause for her detachment in their relationship. She is seeking something that she's not getting in her marriage.

They signed a pre-nup when they first got hitched, but the brunette beauty will want a different settlement. Let's just say she thinks that she deserves more money. After a lot of nasty back-and-forth, Douglas will give her what she wants to get rid of her.

After the smoke clears and they're divorced, Zeta-Jones will end up with someone younger who will help her learn to live again. She is known for having an appetite for older men, so this will be new ground for her. Expect her to become known as a full-fledged cougar. Douglas will be fine, as he has a new outlook on life. If he does look for love again, it'll be with someone closer to his age.
