How do you know your partner is with you for the right reasons?

Cupid's Advice:

Some people go into a relationship for the wrong reasons. Let Cupid help you decide if your lover is with you for the right reasons.

1. They don't freeload: A relationship should always be give and take on both ends. When that formula is set off balance then it becomes one person taking and the other giving all they have. If you feel you and your partner heading down this path then talk to them and figure out why it is happening.

2. Money isn't an issue: Many people go through financial troubles at some point in their life, but if it seems like your significant other is using up all of your funds then that may be a sign that you should kick them to the curb. Don't let someone take advantage of you just because they call you pretty and hold your hand.

3. You feel loved: Love is a powerful feeling so if your partner is faking it than you'll probably be able to tell to some extent. Don't ignore the signs and be sure to listen to your heart.
