How do you know when you're ready to have a child?

Cupid's Advice:

Dating is one thing, but parenting is a whole other story. Let Cupid help you decide if you're ready to have a child:

1. You're financially stable: Having a baby is expensive. Before multiplying make sure that you and your significant other can comfortably take care of yourself before you add a third body into the mix.

2. Baby proof your relationship: Having a child is like putting your relationship in a boot camp. If the two of you didn't get along pre-baby then you're doomed.

3. Be happy: Bringing a life into the world is perhaps one of the greatest things a woman can do. However, if you're not happy at where you are in life then having a baby will not solve these problems. Make sure you're 100% happy with yourself before you have a child.
