What are some ways to work on your troubled marriage?

Cupid's Advice:

Keeping a marriage healthy can be tough after 20+ years of marriage. So what are some ways you can work on a troubled marriage? Cupid has some advice:

1. Communicate: You and your partner need to sit down and communicate your feelings and emotions. Try making a list for each other of what you think is wrong with your marriage and ideas for your two to improve on your relationship. Talking about your feelings can be difficult, but talking through your problems needs to be done so you are aware of what is going on.

2. Listen: Communicating may seem like the hardest part of fixing a troubled marriage, but listening is even tougher. Make sure that you listen to what each other are saying. If you don't listen, you won't get anything accomplished.

3. Plan: Make a plan with your partner once you've communicated and listened to each other. Making a plan will provide a path so that you can sort out what was wrong in the first place and help you work on the problem areas.
