How do you know when to get serious with a new partner?

Cupid's Advice:

Beginning a new relationship can be an exciting time in your life. But how do you know when it is time to get serious with

your new partner? Cupid has some advice for you:

1. Time together: If you're almost always together and enjoy spending most of your time with your partner, then its time to get serious and put a label on your relationship.

2. Family: Have your families met yet? If they have its pretty safe to say that things are starting to get serious in your relationship. Meeting the parents is a big sign that you are in this relationship for the long haul.

3. The future: If you've talked about the future and where you two see yourself in the future, your relationship is getting serious. If you've spoken about marriage, moving in together, or kids that is a sign that it is time to get serious with your partner.
