**Cupid's Advice:**

Even though you two may be on the outs, true love can get through everything. When a crisis is at hand, you both need to connect and work through it together. How can you do so? Cupid has some suggestions:

**1. Listen to each other:** You have to be a shoulder to cry on and he should be the same for you. When you listen and show you care, you're giving your partner the opportunity to connect with you on a deeper level – something you both might not have done in a while.

**2. Open your heart:** Share your feelings on the subject, too. This makes your boo see that it affects you too. It's something that you're mutually going through. Once he realizes that, the connection will only deepen and it'll be easier to get through what's going on between the both of you.

**3. Make sure you're in it together:** Your man may be moody or upset and it's possible that he could get a little snippy. Don't take this personally. Know that this is only because he's hurting and because he's stressed over the whole issue. Just remain calm, strong, and let him know that you're there for him.
