She revealed this weekend that her and her Chicago Bears quarterback hubby Jay Cutler, are doing all of the necessary things to get pregnant. Cavallari dished to UsMagazine.com back in September 2013, saying, "I would love to have a little girl, but if I had another boy, that would be great too."

What are some factors to consider when you're deciding whether to have a child?

Cupid's Advice:

Having a child is a big decision. Here are some things to consider:

1. Finances: Having children costs money. Make sure you're financially stable before you decide to add an addition to your family.

2. Your significant other: Before making the decision to conceive you have to make sure you and your partner are on the same page. You're both in this together so you both have to be gung-ho about the idea.

3. Other children: If you decide to have another child then you have to prepare your other kids for the new family member. Make sure they know what you having another child means so they're not blindsided.
