According to Hollyscoop.com, celebrity couple Katy Perry and John Mayer might be tying the knot in the near future. A source close to Perry revealed to Hollyscoop that the musical duo have been looking at engagement rings, so the prospects of them making it official could be right around the corner!

The source also shared that the pop princess wants a green engagement ring since that happens to be her favorite color. "They want to have a small wedding, one of those you don't hear about until it is all said and done. They live with each other now and are practically already husband and wife."

The couple enjoys the company of each other so much that they tend to keep to themselves and go out very sparingly unless

it's necessary for work. As the source explains, "They prefer hanging out at home and just being with each other. They are both kind of over Hollywood and everything that comes with it."

Their relationship certainly seems to be on a deeper level. "Katy knows that John is her soul mate and everything she has been through has led her to him. And John has said he will never love another woman like he loves her. She has redefined his definition of love."
