Cupid's Advice:

Picking the perfect place to have your wedding is one of the most important decisions you'll make in your life. You can choose to have a simple, small wedding on a beach or maybe a quiet, family-filled ceremony on a farm if that's more your thing. Cupid has some tips:

1. Home sweet home: If you were raised on a farm or spent most of your free time on when, then it would be a good fit to think about having your wedding ceremony there. While you're marrying the love of your life, you'll have so many good memories swirling around inside of your head. Plus, you'll be making new memories in a place you're familiar with.

2. Save money: There's no need to spend a lot of money when you already have beautiful surrounding around you on a farm. You won't need much in the decorations department, so you'll be saving tons of money. You can splurge more on your honeymoon or other aspects of your wedding if you choose to do so.

3. Endless possibilities: If you have an outside wedding, you have tons of space to work with. Plus, the venue will be free of charge if any of your loved ones own the farm. With so much room, you can invite as many friends and family members you want without anyone feeling cramped.
