## **Cupid's Advice:**

Unfortunately, some people love to hate on others. You have to always go on with a strong sense of positivity, but it can be hard. The biggest thing you want to do is make sure that the gossip stays away from your relationship. Cupid has some advice on how to hush up the haters:

**1. Keep your head up:** Don't let people bring down your success. If you are both happy, you know you're doing something right. If you're relationship is thriving and is exactly what you want, so don't let anyone try to knock you down.

**2. Remain strong together:** You and your boo can silence the gossip by not letting it bother you. People might have bad things to say, but it is none of their business – and definitely not their relationship! Ignore those who bring you

negative energy or who want to see you fail.

**3. Get through it together:** Gossip can really take its toll on a situation. Make sure that you both are on the same page and are there to listen to each other if it starts to get to you. Always be each other's rock.
