How do you know whether to get back together with an ex?

Cupid's Advice:

Sometimes a long lost love can become your one and only. Let Cupid help you decide if you should get back together with your ex:

1. You've grown: The only way that a failed relationship can be renewed is if one or both parties have had significant growth since the end of the union. If something went wrong the first time then it will likely go wrong again if neither party has changed.

2. You miss them: If you find that both of you miss being together then that may be a sign to give it another go. However, you should proceed with caution because you can never love someone as much as you can miss him or her. Keep in mind that when you miss him or her you may be remembering the good times far more clearly than the bad times.

3. Open connections: The only way to renew a failed relationship is to sit down and talk about what didn't work during your first breakup. If you two can make it through this conversation with a big blow up then all will be well.
