

Miley Cyrus Says Being Single Is 'The Best Time of My Life'

By Kerri Sheehan

Being single doesn't mean she's looking for anybody! Since Miley Cyrus and Liam Hemsworth's September 2013 split, the 20-year-old pop star has been taking the music industry by storm. According to UsMagazine.com, the *Wrecking Ball* singer doesn't want her breakup with Hemsworth to overshadow all of her success. "This is the best time of my life. I'm not going to look back on it and be like, 'I wish I hadn't been dwelling over a breakup,' you know?" After being with Hemsworth for four years, Cyrus is enjoying the **single** life.

What are some advantages to being single?

Cupid's Advice:

Being lonely in a relationship is worse than **being single**. Here are some advantages to being single:

1. You do you: When you're single you'll have loads of time to work on yourself. You won't have to answer to anybody or worry about constantly keeping another person happy. If you're looking for some extended "me time" then single life may be perfect for you.

2. Get to know your friends: Women tend to meet all of their closest girlfriends when they're single, so take this time to reconnect with your BFFs. Plan a girl-only get away so you can really soak up **being single**.

3. Family time: No matter how old you are it's always the perfect time to reconnect with your family. They're the one group of people who will always be there for you so now that you're not attached you have even more time to appreciate the awesome people that they are. Show your love by really getting to know them better.
