What are some ways to make your wedding unique?

Cupid's Advice:

There are a lot of common beliefs about what a wedding should be like, but consider adding some personal flair to your big day! Cupid has some advice:

1. The invitations: Go the extra mile and personalize your

wedding invitations. Make them by hand or simply add something that your guests would associate you with. You could even decorate the invitations based on the theme of your wedding. If you're holding the ceremony on the beach, why not add a drawing of a palm tree? Be as creative as you want. After all, this is your special day.

2. The food: Chicken or fish? That's usually the only two options guests get at a wedding reception. You and your partner can get really creative with the wedding menu. What are some of your favorite foods? What about your guests'? You can include some of the meals you'd like along with some of the suggestions your family and friends have.

3. The ceremony: The venue you choose to have your ceremony and reception at should be at a place that defines who you are and what your relationship is about. When your guests arrive to your wedding, they shouldn't be wondering why you would choose the place you did. Were you raised on a farm? Why not have your wedding there? The location possibilities are endless.
