An insider spilled that, "it's just a question of when John will propose."

**What are some advantages to moving slowly at the beginning of a relationship?**

## **Cupid's Advice:**

When you move too fast in a relationship, you miss a lot of key things that couples should go through together. Wondering what some of the advantages are to moving slowly? Cupid has your back:

- 1. You get to know each other better:** Jumping into a relationship means you're just taking the person as your partner without fully knowing who they are. When you go slowly, you get a better understanding of who this person is.
- 2. You learn what their intentions are:** Going too fast leads to getting too intimate too quickly. You won't get to know more of what their true intentions with you are. Moving a bit slower means you get a better chance of insuring a permanent relationship.
- 3. You get those cute, romantic moments together:** When you move slowly, you guys can share those sweet moments and memories together. The quirky, fun, exciting times are what makes lasting impressions which leads to a stronger relationship.
