1. Get family involved: When you get married you're really marrying a whole family, not just one person. Have members from each of your families help you plan a scavenger hunt for him or have them hold up cards boasting the words, "Will you marry me?" Involving both of you families in the proposal is a nice gesture and makes for a great story.

2. Keep his favorites in mind: Incorporating your beau's favorites, whether it's a restaurant, drink, or location, will personalize the proposal and make him feel extra special—as he should! This will show him how well you know and will also make him feel like a king.

3. Have fun: Getting engaged should be fun and after all men are just big kids at heart. One cute idea that will catch your guy off guard is to propose on an amusement park ride. He'll be shocked and wowed all at the same time. Bonus points if the ride you chose takes your picture while in motion!
