Cupid’s Advice:

1. Communicate: You and your partner need to take the time to communicate with each other. Try making a list for each other of what you think is wrong with your marriage and ideas for your two to improve on your relationship. Talking about your feelings can be difficult, but talking through your problems needs to be done so you are aware of what is going on.

3. Be grateful: Keep your relationship strong, by not being selfish. If your partner does something wrong, try not to nag or nitpick at them. Find a rhythm that works best for both of you for different aspects of your relationship. Being selfish and ungrateful can cause stress and turmoil in any relationship.
