“Having fresh, festive flowers in our home and on our dinner table during the holidays really helps brings the season to life,” said Willie and Korie Robertson, two of the stars of *Duck Dynasty*. They picked out the Holiday Flair Centerpiece, a hand-blown glass bowl filled with red roses, as their favorite Christmas arrangement. Jase and Missy Robertson prefer the Jeweled Ornament Bouquet, which features fresh roses as well as some beautifully decorated ornaments, while Jep and Jessica Robertson like the Cuddle Bears Bouquet, a sweet polar bear vase filled with red and white florals.

Another one of Teleflora’s Christmas arrangements is the lovely Thomas Kinkade’s Starry Night, which is a hand-crafted and hand-painted centerpiece. This stunning centerpiece consists of a frosted chapel with a small family arriving on a horse-drawn sleigh surrounded by vivid red roses, pinecones, and red berries. We were lucky enough to receive this beautiful arrangement at the CupidsPulse.com office, and we have no doubt that the breathtaking display will catch your family’s attention when you all sit down for Christmas dinner.
