1. Once you're exclusive: Bringing home a guy before you two are exclusive can be uncomfortable for all parties involved. Your family and friends won't really know what kind of boundaries you two have so things can get pretty weird pretty fast. It's best to keep your new guy private until you migrate out of that awkward gray area.

2. Check with your partner: Meeting friends and family is super nerve racking, so make sure your new beau is okay with taking that step. Some people may want to be together longer than others before making that move which is perfectly normal.
