Cupid’s Advice:

Having time to enjoy and nurture your relationship with yourself is just as important as doing so with a partner:

- 1. Embrace life:** Being single is a great time to focus on other aspects in your life, such as school or your career.

You can throw your heart into new projects without the need to feel guilty.

2. Date yourself: It can be scary to try new things when you're single, but eating alone at a restaurant (sans cell phone) or going to a movie solo can be very empowering to the single soul.

3. Take time for you: Being single is a time when you can focus on yourself; join the gym, sleep in late, or travel. This is the time when you don't have to ask for advice and you have free reign to take on a new hobby.
