Cupid’s Advice:

Having time to enjoy and nurture your relationship with yourself is just as important as doing so with a partner:

- 1. Embrace life:** Being single is a great time to focus on other aspects in your life, such as school or your career. You can throw your heart into new projects without the need to feel guilty.
- 2. Date yourself:** It can be scary to try new things when you’re single, but eating alone at a restaurant (sans cell phone) or going to a movie solo can be very empowering to the single soul.
- 3. Take time for you:** Being single is a time when you can focus on yourself; join the gym, sleep in late, or travel. This is the time when you don’t have to ask for advice and you have free reign to take on a new hobby.
