What are some ways to showcase your love?

Cupid's Advice:

You're in love and you want everyone to know it! Showing your love someone doesn't necessarily mean spending all of your money or displaying too much public affection. You can just as easily show your partner you care for them with subtle gestures. Cupid has some tips:

1. Quality time: Show your significant other that they're a priority in your life by spending some much needed time together. You don't ignore the person you love, or make excuses to why you can't see them on a regular basis. If that special someone in your life is important to you, show them by making time for them no matter how busy your schedule is.

2. Say it: You don't need any fancy gimmicks to show your partner you care. All you really have to do is say those three magic words. Some couples forget how good it feels to hear and say "I love you." All the gifts in the world couldn't replace hearing your loved one actually tell you how they feel. So, tell your honey you love them and do so often.

3. Commit to the relationship: Your significant other should be the only special someone in your life. Appreciate them and accept them for all that they are. Nothing shows true love than by staying invested in the relationship you chose to be a part of in the first place.
