For many women, the start of the new year means a renewed hope in their love lives – which means they want to look *and* feel their best. If you're seeking brighter and tighter skin for your next date night, the smart solution is BioElixia skin care products, which use science and a blend of natural ingredients to produce a unique skin treatment that really works. The formula is backed by 14 years of research that relies on key healing components, like multi-vitamins, anti-aging peptides, and moisturizing oils, that safely and effectively absorb into skin.

The BioElixia BodyShaper bundle includes everything you need to revitalize your body in the middle of a dry winter. First, the Cellulite Contour Crème is proven to reduce the appearance of cellulite by an average of 57 percent. The Exfoliating Body Polish uses micro-crystals to refine the skin, while the Radiance Body Cleanser cleanses and moisturizes with fruit enzymes and minerals. Next, the Firming Toning Body Lotion supports all-over skin tightness. Finally, don't forget the Stretch Mark Diminishing Crème, which improves the visible appearance of stretch marks by an average of 71 percent.

All of these products work together to give your body a toned look and smooth feel that your partner will love. The TPM Dermal Delivery Technology allows the active ingredients such as sweet almond, aloe vera, vitamin E, ginseng, fruit acid, and more to penetrate further into the skin and increase absorption by five times. And it gets better: BioElixia is free of formaldehydes and other harmful chemicals as well as artificial colors and dyes.
