How can you keep your relationship under wraps?

Cupid's Advice:

Sometimes at the beginning of a relationship, you may want to spend time enjoying each other without outside distractions. Here is some advice on how to keep things hush-hush:

1. Romantic night in: In the beginning, everything the two of you do together is exciting and new, whether it's going out for dinner and a movie or loading up a Netflix DVD and ordering take out. We know you want to show off your new guy, but if everything works out, there will be more than enough time for that.

2. Lay off the social networks: Anytime you tweet or post something on Facebook to your new man, you're saying it to his 500 friends and followers. If you feel the need to say something "coupley," shoot him a text.

3. Watch your body language: In some situations, you may not be able to avoid public settings with your new guy. If that's the case, make sure your body language doesn't leave people around you wondering about your status.
