

Adventure Date: Do Something Daring

By Leslie Chavez

If you're tired of your go-to movie and dinner date, shake things up this weekend then plan an **adventure date** that will lead to a spontaneous and exciting day that you'll both be talking about for weeks to come. Get inventive and think of something that you two have always wanted to do together but have never found the time, money or...courage.

Try skydiving! In addition to the adrenaline rush, this adventure date will help you de-stress, forget about your worries, and enjoy the simplicities of life with your love. Being in a situation where you feel like you're doing something dangerous or overcoming an exhilarating challenge with your partner will bring you closer together. Plus, what could be more intimate than grasping on to each other as you plummet quickly to the ground with the air rushing past your face at unimaginable speeds? Oh, the things we do for love!

Indoor rock climbing can be another adventure date. You can experience the vertical world of bouldering from the safety of an indoor gym. Climb along sheer drops and sculpted edges and feel the rush as you clutch onto the rocks twenty feet above the ground. You can encourage and support each other as you bound up the wall and race to the top.

It will also give you a chance to admire your man's strength – and his sexy back muscles! Reward yourself with some ice cream or a smoothie afterward, and you can swap climbing strategies for next time. IndoorClimbing.com has a great directory of

gyms all over the country for you to choose from.

If you have a need for speed, then go-karting is the perfect adventure date for you. Experience the thrill of driving fast and battle it out with your lover to see who can get the quickest lap time. Guys love a girl who's a little competitive and brings her A-game. Lap him at the last second, and it'll drive him wild. Trying any new sport is sure to bring some extra excitement to your romance.

For something a little more romantic, head to the beach at night. Bring a blanket and a bottle of wine and gaze up at the beautiful star-filled sky. You'll feel like you're doing something bad by being on the deserted sand in the middle of the night. Savor the intimate moment together under the stars on your own private oasis. If you're feeling a bit more adventurous, you might even suggest skinny-dipping in the moonlight.
