What are some things to consider before getting back together with an ex?

Cupid's Advice:

Couples break up and get back together all the time. There are many causes for breakups. For example, maybe the relationship wasn't healthy or maybe you just weren't ready for one. Sometimes partners break up because they drift apart, but what happens when you find yourselves drifting closer together once again? Cupid has some advice on the subject:

1. Have you talked and resolved all the issues behind your break up? Any conflicts or issues you may have had should be worked out. As partners you need to be on the same page and know the direction of where you want your relationship to go.

2. Is the romantic connection still there? If both parties still have feelings for one another it might be good to give your relationship another shot. Especially, when you can't stop thinking about each other and the love is still there.

3. Are your intentions good? If you just want to get back together with your ex lover because you can't stand the sight of seeing them with someone else it probably isn't a good idea to reconcile. Make sure you are getting back together for the right reasons. Remember trust your gut, be honest with yourself and follow your heart.
