**Cupid's Advice:**

Pregnancy is a beautiful thing and is a new adventure in a couple's relationship. Being pregnant comes with a lot of responsibilities and it can feel challenging for both lovers. A woman's body goes through a lot of changes during this time and it can sometimes feel overwhelming. Cupid has some advice on how to keep your lovebird feeling beautiful.

**1. Compliment her:** This is a simple and easy task. The woman is carrying your child; you should make her feel loved and beautiful and one-way to do it is by showering her with compliments. They don't necessarily only have to be compliments such as, 'you look pretty today' or 'your glowing' you can also say things like how good she is doing and why she'll be a great mom.
