

Ashley Olsen and Boyfriend David Schulte Call It Quits

By Brittany Stubbs

It looks like Ashley Olsen is back on the market. Several sources confirm that she and David Schulte have split up after dating for a little less than a year. “He was a great guy and cute, but it didn’t work out,” a source shares with UsMagazine.com. Despite her relationship with Schulte, CEO of luxury eyewear brand Olive Peoples, the Olson twin has kept her personal life pretty private, and her rep had no comment regarding the breakup.

What are some ways to tell it's time to call it quits on a relationship?

Cupid's Advice:

Not everything is meant to last forever. In fact, some

relationships are just ticking time bombs. Here's when you know it's time to say goodbye:

1. There is no trust in your relationship: Lack of trust can destroy a relationship. Whether it's rooted from consistent lies, or infidelity from the past, without trust, there's no healthy future for the two of you as a couple.

2. Everyday is a different battle: If your relationship has gotten to the point where it's just one fight after another, it might be a sign it's time to move on. Granted, every couple has their conflicts here and there, but if you're no longer seeing eye to eye on anything and tensions are high anytime you're in the same room, step back and reevaluate.

3. You no longer communicate: Whether far apart or in the same room, if you're no longer communicating with one another, you've lost one of the most essential aspects of your relationship. You need to either find a way to reconnect and begin communicating again, or call it quits, because without communication, your relationship can't move forward (successfully, at least).
