For today's column, let's take a look at three celebrity couples who have made headlines lately for shocking relationship moves – whether it's a surprise engagement, a quickie marriage after a whirlwind romance, or a separation announcement from a seemingly happy couple.

Amber Heard and Johnny Depp: Depp recently announced his recent engagement to actress Heard. Two words that came to mind when I heard this news were “hot mess.” Not because I

think it's too soon for the actor to be in a serious relationship, but because this relationship has signs of doom written all over it.

The 27-year-old actress met her 50-year-old fiancé while working on *The Rum Diaries*. There have been so many allegations about their romance that it's hard to know what to believe. The main rumor that stands out is that Depp and Heard broke up not that long ago so that she could date a woman. He somehow won her back and put a ring on it.

The only thing that is clear in this relationship is that Depp is trying his best to keep Heard around. What better way than to get married! Their relationship energy is two lost souls floundering around. The biggest question is how long can the actor can keep his partner entertained before she wants to leave again. I hope he's smart enough to get a good prenup, as there's no way this relationship is going to last.

On another note, the media keeps trying to make it seem like Depp's ex, Vanessa Paradis, is jealous over his engagement. This rumor couldn't be further from the truth. Paradis left Depp; *she* was the one who didn't want to get married. Depp has repeatedly confirmed this truth in interviews since their split, and his ex has moved on.

Kaley Cuoco and Ryan Sweeting: The *Big Bang Theory* actress ended a relationship with Henry Cavill and pulled the ultimate bounce back: She fell in love with tennis player, Ryan Sweeting, and got married. If you blinked, you may have missed the whole thing. The couple dated for only five months before sprinting down the aisle.

There is something rather awesome about this marriage. It's a classic case of "you know when you know." Sure, they got married quickly, but when I look at their relationship, it

looks like they both knew it was meant to be. Cuoco was looking for something different when she met Sweeting. They've been together before in a past life, which is why it felt so comfortable when they met this time around.

The bets have started on when they'll divorce, but save your money. These two are going to be together for awhile. Don't be surprised if a baby announcement comes within a matter of months. Baby energy is swirling around the blonde beauty. Since they're having so much fun together, Cuoco would like to wait a little bit before having kids, but babies have a way of sneaking in when they're ready.

Hilary Duff and Mike Comrie: Looks like one Disney princess is about to get a divorce from her Prince Charming. This move comes as a surprise to many people who thought that Duff and Comrie were a happily married couple. As I look at the singer's energy, she's in a totally different place than she was when she got married. A part of her looked up to Comrie as her older and wiser lover. Well, getting married and having a baby will make a woman grow up really quickly. Long story short, she snapped out of it.

Duff will always have love in her heart for Comrie, but it's not the kind of love that keeps a marriage going strong. The passion between the two of them left a long time ago. It also looks like Duff considers Comrie a big turnoff, and once a woman is turned off by a man, it's hard to go back.

It's great that they tried everything in their power to stay together, but it's time for them to both move on. Duff is going to come back with a resurgence in her career. She's going to gain some new fans with her hot MILF status, but dating will not be her priority; she will be focused on being a single mother during this new chapter in her life.
