

Rekindled Flame: Jessica Szohr and Aaron Rodgers

By Louisa Gonzales

Former lovebirds Jessica Szohr and Aaron Rodgers seem to have rekindled their flames. The duo dated back in 2011 for a short amount of time before breaking up because of their crazy work schedules and not having enough time to see each other. UsMagazine.com sources confirm the lovers got back together over the holidays after they started spending more time together again. Szohr, 28, and Rodgers, 30, were recently spotted arriving hand in hand at the *That Awkward Moment* film party at Lucky Strike L.A. Live bowling alley, according to eyewitnesses.

The pair was joined by Taylor Swift, who Szohr became friends

with after being featured in one of Swift's videos, "22". During the evening Szohr not only squeezed in moments with her date, but some girl time as well as insiders say they overheard Swift dishing out relationship advice to Szohr in the lady's room.

What are some things to consider before getting back together with an ex?

Cupid's Advice:

Breaking up is hard. People break up for many reasons, maybe you drifted apart, or the timing wasn't right, or you realized you just didn't click "that way". The only thing harder than learning to let someone go is figuring out if you want to give them a second chance. Cupid has some advice on some things you should consider before rekindling your flame with an ex:

1. Figure out why you broke up in the first place: Really think about the reasons you broke up the first time around. No matter what the reason was behind your breakup ask yourself if you can either forgive or live with them. If you decide you do want a second chance at a relationship there's no guarantee the things that happened before, won't happen again.

2. Why do you want to get back together: Make sure the reasons why you want to reunite are your own. If the reason you want to get back together is only because your ex lover is pressuring you, or you feel bad, or if you're considering it because of your family, the relationship will most like be doomed to fail again. No matter how noble your intentions are don't get back in relationship with someone for the wrong reasons only do it if it is truly what you want.

3. Take a look back at your relationship as a whole: Reflect on the entirety of your relationship between you and your ex lovebird. Think about all the things that worked and didn't work between the two of you. Make a list of the pros and cons and then once you've finished see which side has more. After you have completed analyzing and making your lists about all the things that made you a couple, you will have a clearer understanding of what you want and what final decision you should make.
