Valentine's Day has come again, and now is the time to make it one to remember. Elizabeth Arden worked with Mariah Carey to create a fragrance that can live up to even your wildest dreams. If you're going for "happily ever after" this year, then this scent is for you.

The multi-award winning artist wanted to put together a classic, captivating, and sexy scent, and she delivers with Dreams. She invites you to celebrate life and its many stages along the way and reminds you to cherish its most intimate moments.

The fragrance smells of salted caramel apple and star anise combined with bergamot and toasted almonds. There's also a drop of honeysuckle intertwined with inviting freesia and a small undertone of lily of the valley that gives it a feminine touch. The last few ingredients are a blend of warm patchouli, Tonka bean, and Madagascar vanilla grounds. Yum!

Whether you are coupled or single, you can now arouse the senses with the intoxicating scent of Dreams.
