## Single in Stilettos Show: Best Dating Tips for Single Moms

In this week's <u>Single in Stilettos</u> show, founder Suzanne Oshima talks to author and lifestyle expert Kerri Zane about dating as a single mom. Zane knows from personal experience just how hard it can be for single moms to enter the dating world. In 2001, her 12-year marriage fell apart, leaving her feeling scared and unsure about the future. During her postdivorce journey, she learned how to forgive herself, how to listen to her intuition, and how to embrace her power to make her own choices.

Now, Zane wants you to live happily ever after too. In this video interview, she answers questions like: When is the right time to start dating again? How do you balance dating and parenthood? How do you tell a new guy that you have kids? And how do you handle men who don't want to date single moms?
