What are some ways to keep your engagement under wraps?

Cupid's Advice:

Although you are overwhelmed by excitement and joy, you do not

want to broadcast your engagement just yet. However, there are some challenges you must overcome in order to successfully conceal the news. Cupid is here to help you out:

1. Secrecy: You must swear by this step, which means seal your lips. Temptation will sneak up quite a few times, and you may want to tell even your closest friends – do not give in. It may seem easier said than done, but definitely can be done if you are serious about not spilling the beans.

2. Don't be obvious: The talks about marriage and whatnot will only continue with your family and friends, yet it is up to you to shy away from exposing your engagement. Sometimes we feel pressured and want to blabber every single thing – as stated earlier, do not give in. If no hints are given, the engagement will come as a surprise.

3. Leave the ring at home: The urge to flaunt your ring is all a part of temptation's 'evil' plan – do not give in. If you really want to keep the engagement a secret, wearing the ring is probably not the brightest idea. People are easily drawn to sparkly jewelry and will begin to question you. Instead, you may want to choose something simple that is sentimental and symbolizes your engagement.
