So grab a bottle of this new scent and catch the attention of your crush!

Roblé, who partnered with a top perfumer to create the fragrance, was heavily involved in the process and made sure that he had the perfect balance of scents from his favorite

culinary creations. In fact, many of the ingredients in Clique by Roblé can also be found in his kitchen: citrus, herbs, spices and even flowers, to name a few.

The chef strove to develop an insatiable fragrance that has the freshness of a citrus cocktail with a captivating and sensual dessert base. This brilliant idea was derived from one of his favorite signature dessert recipes: French Toast Crunch. To finalize this winning combination, he didn't rely on so-called experts; instead, he invited over 100 female fans of all ages and lifestyles to preview the product before picking out the clear winner, Clique by Roblé.
