What are some ways vacation can make you closer as a couple?

Cupid's Advice:

Getaways with your honey are well-needed not only during the rough patches, but also just to keep the spark alive or possibly light the fire even more. Cupid has a few other ways a vacation can help strengthen your relationship:

1. Alone time: One of the biggest perks about a vaca is the isolation spent with your partner. The world back at home is cancelled out for that period of time. Your primary focus is having an enjoyable break and giving all of your attention to each other. Maybe tension between the two of you is slowly taking a toll and you feel a barrier shaping, take a simple vacation to ease away the stress.

2. More experiences: Whether it is a trip to you all's favorite spot or somewhere fresh, completely new memories will be created. You and your significant other will see things that you have never seen before, forming a tighter bond in the relationship. When you are back at home one day, you may see may come across something that triggers a memory from the vacation, and (hopefully) you will smile at the thought of being with your partner.

You may even catch yourself wanting to relive the moment.
