How do you manage a big family?

Cupid's Advice:

The bigger the family, the more responsibility you have. You'll need to make sure you have all the proper accommodations for a large number of loved ones. Cupid has some advice:

1. Communication: Many situations can go wrong when you have a big family. Make sure everyone stays on the same page – at least most of the time. You'll have to go out of your way to maintain communication between each and every one of your loved ones, but that's the price you may pay when you have your own personal football team.

2. Schedules: Schedules might be the best thing for you and your family. You won't have time to do everything, but at least with a schedule you'll be able to fit more activities into your daily life.

3. Love: All of your family members need to know they're loved. If you're dealing with a large group of loved ones, it might be hard to have one-on-one time with each individual. Make the effort. Show them you care. Even a quick hug will do the trick.
