CBS: Happy birthday to your sweet daughter Riley! Tell us all about her milestone birthday.

MM: "I wanted to go big with Riley's first birthday party because, well, you only turn one once, right [laughs]. We invited 100 of our closest family and friends. We even had family members fly in from out of town. Desiree and Chris, our fellow *Bachelor* family members, also came out to celebrate."

CBS: How is Riley doing? What is she into these days? What does she do to make you laugh?

MM: "Riley is constantly making us laugh. She is at such a fun age where she is really starting to interact with us, understand words, and she's got quite a silly personality. She's also on the move, big time! I have to watch her like a hawk because if I turn away for even a minute, she's already playing in the toilet [laughs]."

CBS: How were the first few months of motherhood for you? Did you feel overwhelmed at all? How have you adjusted to new motherhood?

MM: "Honestly, I was a very low stress mommy at the beginning and still am today. I didn't read a lot of books beforehand, so I wouldn't get worked up about the little things. I took everything in stride and just enjoyed the little moments with Riley. She has a great disposition – very happy, calm, and easy. I got really lucky with this one."

CBS: Are you hoping to add to your family one day soon and have another baby?

MM: "I think so. Riley already has a big brother (Ty, who is

9), but I'd love for her to have a sibling closer in age. I grew up with a sister who is only 2 years old than me, and we are so close. I want that for Riley too."
